FLEET MANAGEMENT SERVICE

MANAGE THE COMPLETE LIFE CYCLE OF YOUR VEHICLES FOR OPTIMUM PRODUCTIVITY.

With FMS, we can take care of the complete life cycle of your fleet, from vehicle purchase to disposal.

Available even to non-Toyota vehicles, this service includes LTO-related processes, such as registration renewal and transfer of ownership. We can help improve your company's daily operation by efficiently managing your resources and increasing productivity in your day-to-day fleet operations. We can notify you when the vehicles are already up for preventive maintenance, and schedule it for you. This service also covers driver insurance claiming and disposal arrangements through our Toyota Certified Used Vehicle channels.
